

## **HOPE AND HEALING AT HILLENGLADE (NASHVILLE, TN.) 2021 MISSION STATEMENT**

***Hope and Healing at Hillenglade (HHH)*** is a 501(c)(3) Organization that offers **FREE** group and/or individual Equine-Assisted counseling sessions, retreats, programs and events for our Active Duty Military, Veterans, First Responders and *their families* who sacrifice so much for our freedoms and safeties.

HHH's focus on the ravages of PTS (Post Traumatic Stress) and other war-related issues that all-too-often result in compromised coping skills, along with staggering numbers of suicides and divorces among our National Heroes.

***Hope and Healing at Hillenglade is a safe place to renew hearts, restore relationships and rebuild lives at our countryside farm only 20 minutes from downtown Nashville.***

In 2018, *Hope and Healing at Hillenglade* launched its ***HHH Empowerment Transition Program (ETP)***, which offers sponsored one to three month live-in "internships" on the Hillenglade farm. This program helps support Veterans who are transitioning into the civilian workforce, and/or reuniting with their families. Those who attend our ETP have the opportunity to participate in all of the HHH Equine healing sessions they may need to embrace a successful future. Not only will they be working one-on-one with our HHH Certified Horse Handlers, they will also assist our Barn and Farm Managers to gain expertise in the world of horses. After they graduate, our interns will be qualified to find professional work, if they so desire, in the Equine Handling and Farm Management arenas.

**Since 2010, HHH has served over 4,000 guests.**
